

Mouse Mask

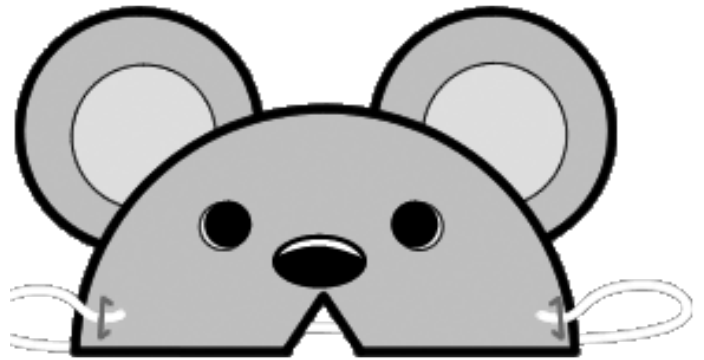

Materials

- Small paper plate
- Crayons
- String
- Glue
- Scissors
- Stapler

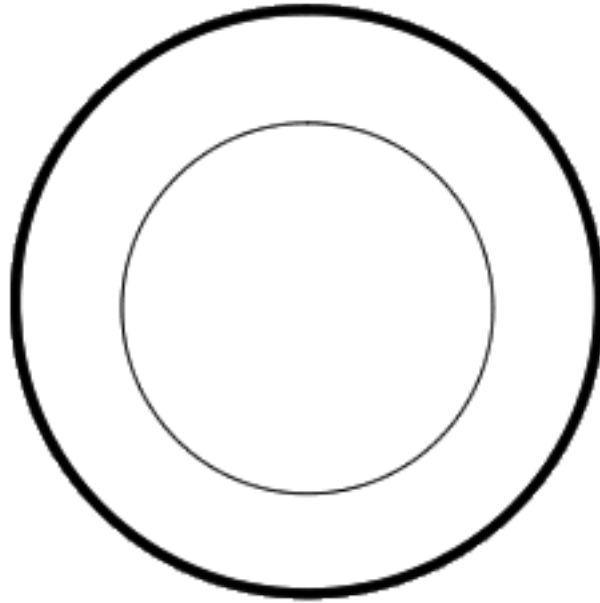

Directions

1. Print the next page and color the ears.
2. Cut small paper plate in half.
3. Cut a triangle out of the center of the straight side of the plate (this is where the nose goes).
4. Cut holes for the eyes and draw on an oval nose.
5. Cut the 2 circles from this printed page. Glue behind curved side of plate.
6. Staple string to the sides of the mask.
